Permit Amendment Public Notice
Grateful Acres, LLC, (Andrew Topka), OCRM-12-193-E

The Department has received an application for a permit for the alteration of a critical area. The application was submitted pursuant to the Coastal Zone Management Act (Act 123) of 1977 South Carolina General Assembly. The application in brief, is described as follows:

LOCATION: On and adjacent to Bohicket Creek at Lot One, Retriever Road, Wadmalaw Island, Charleston County, South Carolina.
TMS: 198-00-00-018.

WORK: The permittee has requested an amendment to the issued permit. Specifically, the permittee seeks to move the start position of the walkway approximately 30' to the right in order to avoid a bank of oak trees. This will increase the walkway length from 4' x 503' to 4' x 548'. The pierhead, floating dock and boatlift will remain in the same position. The amendment is for modifications to a private, recreational dock. **PLEASE NOTE:** This public notice is to clarify that the location is Lot One, Retriever Road and that the proposed walkway length is 548'. The suspense date remains the same, May 16, 2014.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by the Department can be based. Comments concerning the proposed work must be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

Comments regarding this application must be received by the Department on or before **May 16, 2014**. For more information, please contact:

Bill Eiser at 843-953-0237 or via email at eiserwc@dhec.sc.gov.

NOTE: Plans depicting the proposed work are available and will be provided upon receipt of a written request or may be viewed on the Department website at www.scdhec.gov/environment/ocrm/public_notice.htm.
